PRODUCTS FOR BUILDING INDUSTRY,
MONUMENTS RESTORATION,
FLOORINGS AND GRAFFITI

CLEANERS - CONSOLIDANTS - PROTECTIVES - DEHUMIDIFYING PRODUCTS

**WHEN THE MARKET CALLS,
CIR ANSWERS BY FOCUSING ON YOUR NEEDS.**

- Effective products, ready to use, simple to utilize and immediate in the result.
- Safe and elementary answers, but actually the result of much experience and a lot of research effort.
- Professional formulations in their composition ready to be used for the cleaning and care of our homes.

Art meets the craft

1 CIRWOOD NUTRILEGNO
Water-proofing nourishing protective for wooden surfaces

Mixture of waxes and oils that can protect any wooden surface from molds and fungi growths and from weathering. It gives the surface a pleasant waxy finish. For outdoor and indoor use. It can't be used on floor areas. Available in NEUTRAL or WALNUT (NOCE) colour.

2 RICREO
Product for renewal and protection of faded or discolored surfaces

Product based on alkyd resins and specific additives, in solvent mixture, designed to protect and renew faded or discolored surfaces.

3 CONVERTITORE DI RUGGINE
Universal rust converter

Product specially designed to convert rust into a stable metal complex (hematite) that can be over painted with all kinds of varnishes.

9 CIRWOOD
Neutral detergent for wooden flooring and surfaces

Neutral detergent for wooden flooring and surfaces. It easily removes dirt that accumulates on surfaces treated with finishes without damaging them. Supplied with trigger.

10 RINNOVA PARETI SBIANCANTE
For the removal of halos or stains from surfaces

Product specific for the rapid removal of superficial stains resulting from biological growths. The product, based on active chlorine, carries out a bleaching and sanitising action in a few minutes. Particularly suited to sanitise before painting a wall.

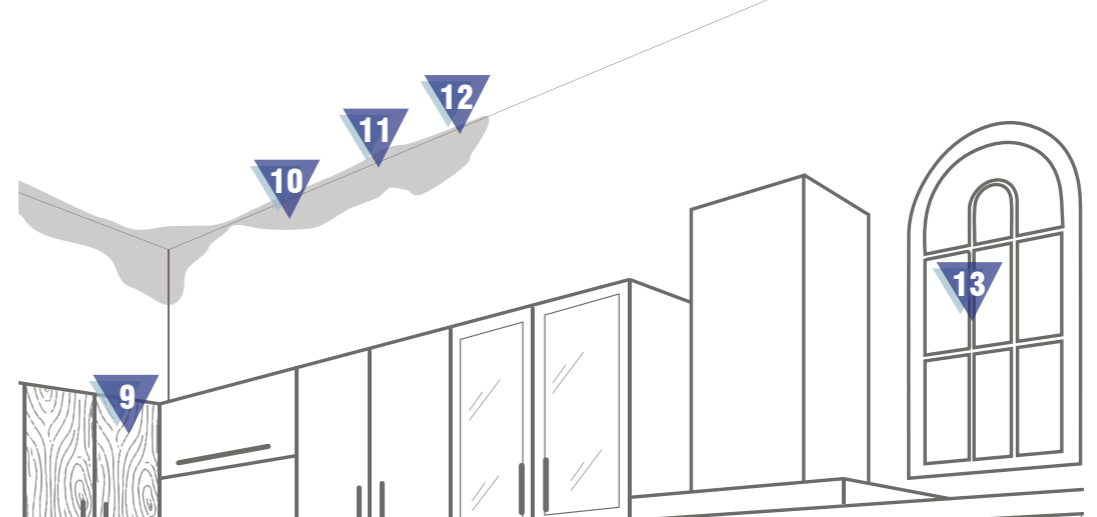

11 RINNOVA PARETI SANIFICANTE
Product for the sanitification of surfaces

Product in aqueous solution based on quaternary ammonium salts and OIT, specific for the sanitification of indoor and outdoor surfaces. It has a broad spectrum antimicrobial activity and high durability over time.

4 CIRWOOD RINNOVO
Cleaner for aging wood

It easily removes the grey coating caused by weathering and aging of wooden surfaces, without damaging any existing treatment.

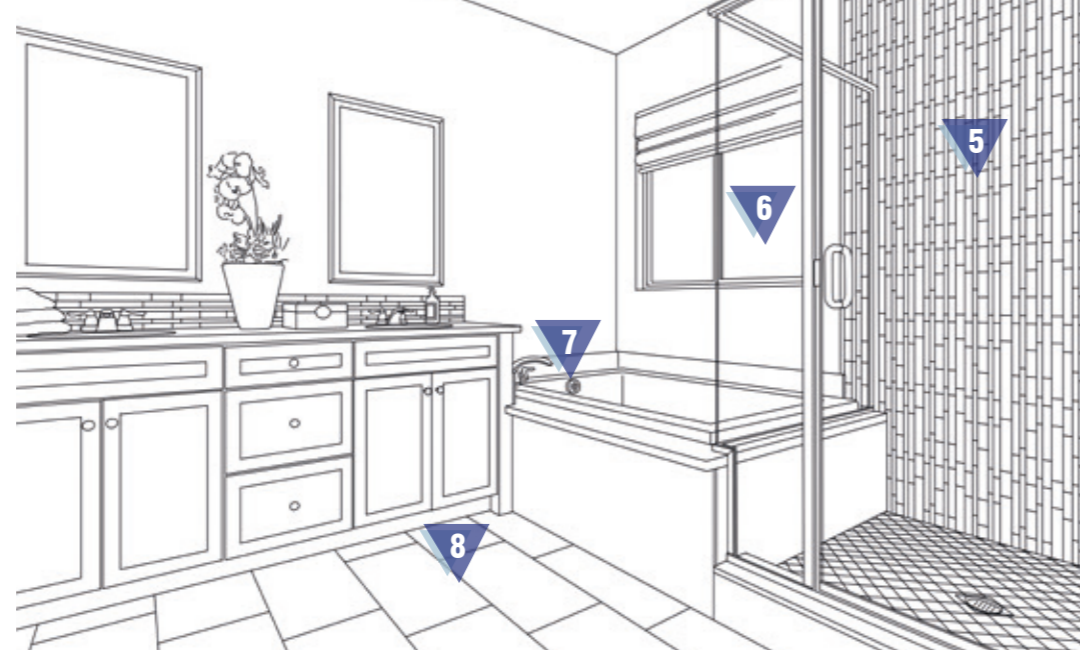

12 ADDITIVO ANTIMUFFA ANTIALGA
Anti-mould additive

This specific additive, if added to a water-based paint, makes it resistant to growth of mould and algae. A bottle is sufficient for a 13-15 liters bucket of paint.

5 FUGA STOP SPRAY
Water-repellent hydrophobic spray for grouts

Protective spray, water-repellent, for the hydrophobic of the grouts of terraces and balconies, garages, showers and ceramics coatings in general.

13 SVERNICIATUTTO
Extra-strong paint remover

Extra-strong gel, for the removal of paints, varnishes and enamels from walls, plaster and painted metals. Totally free from chlorinated solvents.

6 GLASS PROTECTOR
Nanotechnological protective for glass surfaces

Nanotechnological water and oil-repellent protective for glass surfaces such as shower boxes, windows, furniture. It does not alter the color characteristics of the materials, greatly facilitating cleaning operations.

7 CIR SANI
Cleaner and descaler for hard surfaces in washrooms and toilets

Product suitable for cleaning and descaling water spots from toilets, bathroom fittings, sinks, shower stalls and tiles, leaving a shiny effect. Citrus scented.

8 PULIFUGHE
Concentrated grout cleaner

Concentrated acidic grout cleaner for tiled floors. It's best suited to resistant surfaces such as cotto, gres, clinker and unpolished natural stone. Supplied with trigger.

16 SMACK SPRAY
Stain remover spray for surfaces and floors

Stain remover spray for surfaces and floors, artifacts, stone and concrete. Effectively removes greasy and oily halos from absorbent materials.

15 SALVACUCINA
Polyurethane monocomponent finishing for kitchen countertops

Polyurethane monocomponent finishing and protective, in solvent mixture, designed to protect kitchen countertops and surfaces used for food processing. Supplied with roller applicator.

14 TERMINATOR
Universal extrastrong degreaser

Universal extrastrong degreaser. Rapidly removes greasy and oily stains, wax and organic dirt in general. The 1 liter bottle is supplied with trigger.
