

CIRWOOD

Neutral regenerating detergent for wooden floors

DESTINATION ➔ **Wood floors in general.** For both treated and not treated floors.

PROPERTIES ➔ **CIRWOOD** is a product specifically designed to effectively deal with the cleaning and maintenance of all varnished or waxed wooden floors (parquet, laminate, etc.).

CIRWOOD allows you to easily remove everyday dirt that accumulates on surfaces protected with finishes, without damaging them. Its regenerating action allows the shine and consistency of the treatments to be renewed over time.

USE ➔ **CIRWOOD** is ready for use and does not require further dilution. Apply the product on the floor by soaking a clean and slightly damp cloth and wipe it over the entire surface to be cleaned / reinvigorated. Repeat the operation if necessary. The product does not require rinsing.

YIELD ➔ For indicative purposes only, **10-20 mq/l** of product.
